

Western Finger Lakes ReLeaf 2017 Urban Forestry Workshop

This half-day workshop will provide information on recovering from an EAB infestation. Jim Kisker will provide extensive information about choosing the best species after canopy loss, incorporating essential factors to ensure low maintenance and maximized benefits. Bill Snyder will cover the signs and symptoms of an EAB infestation, as well as treatment options. Mike Nierenberg will conclude the workshop by going over the ins and outs of Pesticide Applicator certification requirements.

The workshop is open to beginners and professionals alike.

This workshop is sponsored by Western New York ReLeaf, NYSDEC Urban Forestry, NYS Urban Forestry Council and Cornell Cooperative Extension of Erie County.

Protecting, Growing, and Analyzing New York State's Urban Forests

Mission of the NYS Urban Forestry Council

New York State's Urban Forestry Council is a partnership of public, private and volunteer organizations and individuals. It aims to foster comprehensive planning, management and education throughout New York to create a healthy urban and community forest, and enhance quality of life.

Western New York ReLeaf is part of a statewide program managed by the New York State Department of Environmental Conservation, Bureau of Private Land Services. Funding is provided by the Urban and Community Forestry Program. Volunteer members of Western New York ReLeaf include interested citizens, forestry professionals, green nonprofit representatives and government officials.

Topics and Speakers

Registration: 8:00 AM

Program: 8:30 AM – 12:00 PM

Program Speakers

Jim Kisker – Sales Manager, *Schichtel's Nursery*

Bill Snyder – ISA and TRAQ Certified Arborist, *Greenleaf Supply*

Mike Nierenberg – Pesticide Control Specialist 2, *NYS DEC*

Topics

Session One

Tree Selection: Learn which tree types will grow in urban settings without requiring the use of pesticides, fungicides, fertilizers, pH adjusting chemicals or long-term watering.

Session Two

Evaluating Ash Trees for Emerald Ash Borer: Is your tree infested by Emerald Ash Borer? Discover the signs and symptoms of infested ash trees and how to treat your tree. Find out the right time to treat or if it is too late.

Session Three

Pesticide Regulatory Update: Learn about Pesticide Applicator certification requirements, business registration for commercial enterprises, daily-use record keeping, and general pesticide safety.

Registration

To register, complete and mail this form by December 7th. **Please make vouchers and checks payable to the New York State Urban Forestry Council (NYS UFC).** Visa and MasterCard are accepted.

Session Fees

Please register me. Enclosed is my completed form and voucher/check made payable to NYS UFC or my credit card information.

- UFC or ReLeaf Member \$10
- Non-member \$20
- Late registration (after December 7th) \$25
- I can't make it, but please accept my donation.

Space is limited! No refunds will be given, but transfer of registration is allowed.

Dietary Restrictions:

- Vegetarian
- Gluten Free
