

## 2021 NYS Urban Forestry Council Quick Start Grant Notice

The **NYS Urban Forestry Council** is pleased to announce available funding for communities to hold a 2021 Arbor Day tree planting event and to establish a community-based forestry program. Communities can apply for up to \$1,000. Funding has been provided by the USDA Forest Service.

### **Grant Goals:**

The intent of this grant is to help municipalities establish a community forestry program and move toward becoming a Tree City USA Community.

[Tree City USA](#) is a program of the Arbor Day Foundation. Please note that this Quick Start Grant is not associated with the Arbor Day Foundation nor is it part of the NYS Department of Environmental Conservation Urban and Community Forestry Grant Program funded by the NYS Environmental Protection Fund.

### **Eligibility:**

Communities are eligible if they intend to work toward Tree City status but are lacking any of the components of the Tree City USA program. The four components include having a tree ordinance, a tree board, \$2/capita budgeted for trees, and an annual Arbor Day celebration. Definitions and details of those components can be found on the [Tree City USA](#) website.

### **Eligible projects include:**

- planting trees (see the recommended resources listed in this notice to facilitate tree species selections to support urban forestry species diversity)
- holding an Arbor Day ceremony (does not have to be on the official Arbor Day which is the last Friday in April - April 30<sup>th</sup> for 2021) but please plan for a spring event

Eligible expenses may include but are not limited to trees, mulch, soil, printing of a program, advertising to publicize the event.

Communities that are currently a Tree City USA or are a recipient of previous NYS Urban Forestry Council Arbor Day Community Grants are **ineligible**.

### **Selection Process and Award:**

Applications will be scored competitively and awarded from highest to lowest until the funding is exhausted. 50% of the amount awarded will be paid to the awardees upon return of a signed grant acceptance form.

The remainder of the grant will be paid once a final report is submitted. The final report should include a brief summary of event, photos, receipts for expenditures, copies of materials related to the Arbor Day event and/or establishment and goals of a tree committee or board.

Applications will be scored by the following criteria:

- All paperwork received
- Goal of moving community toward Tree City USA certification
- DEC urban forester or QS grant committee member consulted
- Clear site photos included
- Date of event given
- Community to publicize event
- Elected officials involved
- Clear budget developed
- Tree selections appropriate
- Consideration of “Right Tree Right Place”

### **Deadlines and how to apply:**

Applications are due (postmarked) by **5pm on February 26, 2021** (see attached application).

Send completed applications to: **NYS Urban Forestry Council, PO Box 562, Lima, NY 14485**  
**or via email to [nysufc@gmail.com](mailto:nysufc@gmail.com)** (please put all information into one attachment).

Award recipients will be notified by mid-March. If you have questions about your project or this grant opportunity, please contact a grant committee member listed in this notice. Thank you for your interest in trees and improving the environment within your community!

Sincerely,

Karen Emmerich, Council President  
Andrew Hillman, Grant Committee Chair
