ISA and CNLP

NYC Region ReLeaf Urban Forestry Workshop

Join us to learn about up-and-coming news and research in urban forestry. Green-Wood Cemetery and NYC Parks will share their experiences using alternatives to traditional balled and burlapped trees for their planting projects. The New York Restoration Project will share updates and research on the American chestnut tree restoration efforts in the city. There will also be updates from the 2nd World Forum on Urban Forests and from Green Horizons' environmental career day for middle school students held at the Brooklyn Botanic Garden.

Attendee Commuting Information

Parking is available across the street at the Forest Park Golf Course overflow parking lot.

For those using public transportation, take the J train to the Forest Parkway station, walk six blocks north to the park entrance, then proceed through the park to Oak Ridge.

New York's Community Forestry Partners

New York ReLeaf

NYC ReLeaf is part of a statewide program managed by the New York State Department of Environmental Conservation's (DEC) Urban and Community Forestry Program (UCF) in partnership with the NYS Urban Forestry Council. ReLeaf brings together professionals and others to share information about our community forests and how to improve them. Volunteer members of ReLeaf include interested citizens, forestry professionals, representatives of environmental not-for-profits, local government officials, and municipal staff.

New York State Urban Forestry Council

The NYS Urban Forestry Council is a not-for-profit organization that advises and assists DEC's UCF in the implementation of statewide urban and community forestry programs.

Funding for DEC's UCF and NYS Urban Forestry Council programs, including ReLeaf, is provided in part by a grant from the USDA Forest Service.
